Niko Davis
Manager
Family Island Airports Department
Nassau, N. P., Bahamas

Sir,

Ref: Safety Recommendations SR20-00010

The Aircraft Accident Investigation Authority (AAIA) is an independent government agency charged by the Minister for Transport and Housing with investigating every civil aviation accident and incident in the Bahamas. The AAIA determines the probable cause(s) of accidents/incidents and issues safety recommendations aimed at preventing future occurrences.

On July 21st, 2020, the AAIA adopted its safety recommendation report reference Accident Report SI20-000273 which occurred on July 20th, 2020. The details of the resulting safety recommendations may be found in the attached report.

The AAIA has reviewed and accepted your response dated May 5th, 2021. Therefore, based on your response to the above mentioned safety recommendations kindly note the following:

SR-20-00010 Closed - Acceptable Action¹

As required by the AAIA's Legislation, all safety recommendations and their responses must be made available to the public and can be found on our website at <https://www.baaaid.org/safety-rcommendations>.

Thank you for your cooperation.

Regards,

A handwritten signature in black ink, appearing to be 'Delvin R. Major', with a long horizontal stroke extending to the right.

Delvin R. Major
Chief Investigator of Air Accidents

¹Closed – Acceptable Action – Response by recipient indicates action on the safety recommendation has been completed. The action complies with the safety recommendation.
