March 15, 2022

The Hon. I. Chester Cooper  
Deputy Prime Minister of the Bahamas  
Minister of Tourism, Investments & Aviation  
Nassau, N. P., Bahamas

Sir,

**Ref: Safety Recommendations SR-18-00040**

The Aircraft Accident Investigation Authority (AAIA) is an independent government agency charged by the Minister for Transport and Housing with investigating every civil aviation accident and incident in the Bahamas. The AAIA determines the probable cause(s) of accidents/incidents and issues safety recommendations aimed at preventing future occurrences.

On February 6<sup>th</sup>, 2019, the AAIA adopted its safety recommendation report reference Accident Report AO-18-000009 which occurred on June 5<sup>th</sup>, 2018 involving a Cessna 421B aircraft, Bahamas registration N421MM. The details of the related accident investigation and the resulting safety recommendations were sent to your Organization on February 6<sup>th</sup>, 2019.

The AAIA has reviewed and accepted your response dated June 4<sup>th</sup>, 2020. Therefore, based on your response to the above mentioned safety recommendations kindly note the following:

SR-18-00040 Closed - Acceptable Action<sup>1</sup>

As required by the AAIA's Legislation, all safety recommendations and their responses must be made available to the public and can be found on our website at <https://www.baaid.org/safety-recommendations>.

Thank you for your cooperation.

Regards,

A handwritten signature in black ink, appearing to be 'Delvin R. Major', with a long horizontal stroke extending to the right.

Delvin R. Major  
Chief Investigator of Air Accidents

---

<sup>1</sup>Closed – Acceptable Action – Response by recipient indicates action on the safety recommendation has been completed. The action complies with the safety recommendation.
